

Sweden and Scandinavia from just EUR 19!

Discover the easy, environmentally-friendly link between the metropolis of Europe and Scandinavia; choose the Berlin Night Express – a modern night train on which you can enjoy a good night's sleep in a comfortable sleeping car or couchette.

Experience Skåne, the southernmost part of Sweden, with its 400 kilometres of sandy beaches, spectacular landscapes and grand city vistas. The whole spectrum of Scandinavia is easily accessible from Skåne, including the city hotspots in Copenhagen, Stockholm and Oslo.

SJ will always take you quickly and comfortably to your destination, regardless of whether you are bound for Europe's last wilderness in the North, the lush countryside in the West, or for the East towards Stockholm and all the beautiful attractions the Swedish capital and its archipelago have to offer.

Special offers

We offer great discounts for all travellers with a Eurail Pass, InterRail Global Pass or One Country Pass for Sweden. Travel from Berlin to Lund for just EUR 19 in a 6-berth couchette, or for EUR 39 in a 2-berth compartment in an exclusive sleeping car.
